

Lively rhythms and beautiful sounds of traditional African melodies

Moribaya is an multinational music group based in Warsaw – Poland, consisting of musicians from Burkina Faso, Australia, Ukraine and Poland. Original and complex arrangements based on the traditional music of West African ethnic groups such as Mandeng, Bobo, Susu and Bambara, played with precision on various drums and melodic instruments by virtuosos give the music a fresh and vibrant feel, opening up a new world to both fans and newcomers to the roots of West African song and dance.

Concert

The performance of the group can last depending on the needs even up to 110 minutes. The standard concert length is 80-90 minutes. It is possible to divide concert in sets. The group consists of 5 members. In the case of themed events, it is possible to extend amount of artists adding professional african dancers or other musicians.

During the concert group plays on traditional instruments: kora – African harp, balafons – wooden xylophones from

Guinea and Burkina Faso. There is also quite impressive variety of drums on stage: djembe, dundun of different sizes, bara and tama. Group sings in Western African languages: Bambara, Bwaba and Susu. Beautiful, colorful outfits, original instruments and the amazing energy of the artists provide an unforgettable show in which energetic rhythms are interspersed with lyrical melodies. Members of the band can also conduct workshops of djembe drumming and african dance with live drum music.
